New Language in Statewide Agreement

Wrestling Tournament Assigning Configuration: 2 mats = 3 officials; 3 mats = 4 officials; 4 mats = 5 officials. Any other assigning configuration must be agreed upon by the assigner and athletic administrator, tournament manger or district director prior to the assignment being made. The additional official(s) are for safety purposes for both participant(s) and official(s).

Individually Bracketed Tournaments, Jamborees, Takedown Events and Round Robin Tournament(s)

In accordance with the statewide agreement, the billing format for individually bracketed tournaments including jamborees, takedown events and round robin tournament(s), will be billed at the hourly rate. The clock begins with the posted start time listed above and ends with the signing of the last bout sheet, rounded to the nearest quarter (1/4) hour.

The formula to establish the baseline hourly rate for individually bracketed tournaments is based on a high school varsity eight (8) person individually bracketed tournament (wrestled out to 5th/6th place which is 182 matches), using a four (4) mat, five (5) official configuration taking six (6) hours to complete.

182 total matches, times individual dual match rate (rounded to the nearest (.25) twenty-five cents), divided by five (5) officials, divided by six (6) hours, = hourly rate per official. Per official hourly rate(s) for 2012/13 season are: **Varsity: \$22.75, Sub-Varsity: \$20.75 Ninth grade fees are equivalent to the sub-varsity fee and Middle School \$18.75 Fee for youth clubs is charged at the middle school rate.**
